

Well-thought out design down to the finest detail. Simply click on the stabilizing foot at the bottom.

Insert the supporting rod above. Ready!

Extremely thin profiles provide maximum image surface.

MAIN FOCUS ON THE MESSAGE

4 Screen is a cost-effective way of raising your message in large scale. Perfect for events and large campaigns where everything from price to the time it takes to get the message up is important. Available in six widths, it has a discrete and simple design and it is raised in under a minute! Weighing in at only 4.5 lbs, 4 Screen stands firm.
